

It was so very kind of you to send me such a wonderfully generous message following the death of my beloved mother. Your most thoughtful words are enormously comforting, and I cannot tell you how deeply they are appreciated at this time of immense sorrow.

Your Majesty,

On behalf of the Parish Council of Somerford Keynes, and all of our parishioners, may I convey our most sincere condolences, and our deepest sympathy, on the very sad death of your mother and our Sovereign, Her Late Majesty Queen Elizabeth II.

Her Late Majesty was a beacon of hope and strength through the darkest of times. She united our communities in moments of happiness and joy. Across the world she was honoured for her dedication to, and love of, her people. She will be remembered as one of the Great figures of the Twentieth Century; and now rests peacefully amongst them.

As we look towards the future, I hope Your Majesty will draw strength and comfort from the universal love that was felt for Her Late Majesty. As well as your own family, we the people of the United Kingdom and the Commonwealth are all your family in this moment. We share your grief, and feel your pain. But we also look back in awe at what we can all achieve together, as one. We look forward with optimism for your reign.

God save the King.
